Item 48, being:

MISCELLANEOUS DISCUSSION

Earth Day. Ms. Karen Chapman, Friends of Bishop Creek, 734 1/2 East Boyd Street, announced that Friends of Bishop Creek would be at Earth Day and urged attendance.

Councilmember Holman reminded everyone to come to Earth Day on Sunday, April 19th, at Reaves Park. He said he looked forward to being one of the emcees for the festivities.

Mayor Rosenthal said she would be attending along with Councilmember Holman.

*

Bishop Creek. Ms. Karen Chapman, 734 1/2 East Boyd Street, said the riparian area along Bishop Creek in Eastwood Park is being mowed up to the creek bank which creates an unhealthy riparian area. She said to have a good riparian area, the tree roots are needed to help stabilize the creek bank and the smaller roots from the vegetation help filter pollutants from the runoff which limits the amount of pollution that gets into the creek. She said this also provides a good habitat which helps mitigate the effects of flooding. She asked that native trees and plants be allowed to grow. She said, as a volunteer, she monitors and cleans Bishop Creek. She said there is a plan for a walkway to be installed in Eastwood Park and she would like to see pervious concrete used.

Mayor Rosenthal thanked Ms. Chapman for keeping the Bishop Creek area clean and pristine. She said she is a citizen volunteer who gets little recognition and is a model citizen who does good work in our community.

*

Ward Five Election. Mr. Bobby Stevens, Post Office Box 6226, congratulated Councilmember Miller for winning the Ward Five Election. He said although he never intended to run for City Council, he had learned a lot about politics. He said he spent \$423 to run for City Council and he did not do any fundraisers or mailers. He bought signs, put them up, and visited people. He tried to focus on the eastern part of Ward Five with the topics of discussion being ambulance service and public safety. He said since he and Councilmember Miller were the only candidates on the ballot, the election was not very publicized. He said he appreciated voters getting out and voting. He told Councilmember Miller if he can do anything to help her, please contact him.

Councilmember Miller thanked the 500+ voters who voted in the Ward Five election. She said it did not sound like a lot of voters but it was a good number for just having one issue on the ballot. She would like to see the number of people who vote in Oklahoma go up because our state is in the bottom six of the United States and Norman is not far behind. She said it really does make a difference who is serving on Council.

*

Water Connections. Mr. Steve Ellis, 633 Reed Avenue, requested that City Staff include a year's running total on the number of water connections in Norman on each zoning item.

*

Animal Welfare Center. Mr. Roger Gallagher, 1522 East Boyd Street, said the Animal Welfare Center is over the maximum amount that the center can hold. He said the new Animal Welfare Center will provide 48 new cages for a total of 96 dogs. He encouraged people to visit the center because there will be a free adoption program through next week. He said anyone interested could go to www.petharbor.com and view all the dogs and cats that are ready for adoption. He said he and his wife adopted two dogs a few years ago and are very happy with them. He said the goal is having a "No Kill" facility which is nearly impossible.

*

Legacy Park. Councilmember Heiple said Legacy Park is looking great and he is seeing people riding their bicycles and walking around in it. He said hopefully it will be completed soon.

*

Miscellaneous Discussion, continued:

Canadian River Cruisers. Councilmember Heiple said the Canadian River Cruisers are hosting the benefit car show at First Baptist Church Saturday, April 18th, after the 89er Day Parade. He said all proceeds from the car show would be used to benefit Food and Shelter for Friends. He said Bob Thompson from Midway Grocery would be cooking hot dogs for the event.

*

Burn Days. Councilmember Miller said Burn Days are a big issue in East Norman when people have a lot of land and brush is a continual problem. She said the Fire Department would really like to have more Burn Days but the weather is not always conducive to it. She pointed out that there have been 26 Burn Days since January 1st and Chief Fullingim said the next two days may be good Burn Days. She asked those who were interested in knowing to check the website or call 405-292-9780. She said 324 burn permits had been issued since January 1st.

*

Child Abuse Prevention Month. Councilmember Williams said there had already been several events that highlighted Child Abuse Prevention Month and there are lots of different ways that people in the community can alert themselves to what that means. He said several websites provide information such as Mary Abbott Children's House, the Center for Children and Families, and Bethesda, Inc. He said each of these three organizations is working hard to get information into the hands of the public so that if a child does disclose an issue, everyone will know what to do.

*

Norman Forward. Councilmember Allison reminded everyone that Council is in the middle of Norman Forward discussion and have had several meetings. He said Council welcomes all residents to attend the meetings and email what projects they are interested in and list any concerns. He said the dates of all of the meetings are listed on the City's website.

Councilmember Castleberry said Norman Forward is a very important project coming forward and public input is necessary to make good decisions as to what projects should be chosen.

Mr. Steve Lewis, City Manager, announced that the Norman Forward meeting this coming Thursday, April 16th has been cancelled because the consultant working on behalf of the Norman Convention and Visitors Bureau on the Expo Study is ill and will not be able to attend. He said this meeting will be rescheduled to Thursday, April 30th.

*

Responsive City Staff. Councilmember Castleberry said he recently attended a homeowners' meeting where Public Works Staff were in attendance to explain upcoming projects in West Norman. He said it was very informative and he thanked them. He said the Police Chief responded to an email on a Saturday afternoon and he was very impressed and even though no result was achieved that day, it is being worked on. He said this is an excellent example of Community Policing and said he appreciated the Chief's efforts to help out.

Councilmember Holman said he recently had a similar experience and thanked City staff.

*

Norman Music Festival. Councilmember Holman said he is looking forward to being on stage and introducing some of the bands at the Music Festival and hopes everyone will come out to the festivities. He said possibly the Mayor will be able to attend to read the proclamation, but, if not, he will read it like last year. He encouraged everyone to attend and see the new businesses that have opened up downtown. He said this is his favorite event in Norman.

Mayor Rosenthal said she hoped to see Councilmember Holman at the Music Festival.

*

Miscellaneous Discussion, continued:

The Big Event. Councilmember Lang thanked the University of Oklahoma for being great neighbors and sponsoring the Big Event. He said several college groups came to the Hall Park neighborhood and he and his wife along with several neighbors joined the college students to clean up all of the greenbelt area. He said he was so impressed on how they came together to help us out. He also thanked the City crews who were out grinding up the debris and hauling it off. He said he knows the participants of the Big Event worked all over the City and it was great to see the young people out working and also it was good to see how well they worked with the City.

Mayor Rosenthal said she agreed with Councilmember Lang. She said there were a large group of students who distributed door hangers to homes that had been created by the Environmental Control Advisory Board. She said the door hanger explained water conservation practices on one side and on good fertilizer practices on the other side which has an impact on water quality in the community. She said she appreciated the students and City staff for organizing the volunteer efforts.

*

City Manager's Report

Sanitary Sewer Overflow. Mr. Steve Lewis, City Manager, provided a slide showing an example of a sanitary sewer overflow in another city and said because of a number of sanitary sewer overflows in 2005, the City had to enter into an agreement with Oklahoma Department of Environmental Quality (ODEQ) to address the problem and great progress had been made. That year approximately 89 of these overflows occurred and action had to be taken to resolve it. He explained a sanitary sewer overflow is an unauthorized discharge of untreated or partially treated waste water out of the sewer system which could be the result excessive tree roots growing in lines, the improper disposal of grease, or collapsed lines. He said the City implemented a Fats, Oils, and Grease Program, where food establishments are required to document and provide regular maintenance of their grease traps. Also during this time, City crews routinely video inspected sewer lines within the community. Recently, crews have inspected somewhere between 150,000 to 300,000 feet of sewer line. Crews are now cleaning one and one half million feet of sewer lines a year and work to complete the whole community within three to four years. He said approximately 24 miles of large diameter sewer interceptors have been installed which eliminates all of the capacity related overflows during major rainfall events. He said citizens have helped by paying a \$5 sewer maintenance fee which has allowed rehabilitation of 44 miles of problematic sewer lines in the community. He said the end result is that in ten years there has been a 75% reduction of overflows which is a significant accomplishment for a community. He said he appreciates all the hard work of the Line Maintenance Division as well as the ratepayers and Council supporting the program.

*

Water Reclamation Facility Project. Mr. Steve Lewis, City Manager, said he often gets questions about the status of the Water Reclamation Facility project and provided a slide showing the Secondary Clarifier where crews are still working on reinforcement of the flooring. He said the diameter of the clarifier is approximately 125 feet and it is one of two new clarifiers. He said the project is about one-third complete. He said the disinfection piece is to be completed by January, 2016, and the project is on schedule. He said the entire project should be completed in January, 2017.

*

Street Maintenance Programs. Mr. Steve Lewis, City Manager, said although there is much construction during this time, there will be more coming through Street Maintenance Bond Projects. He showed a slide of Mosier Street between Cockrell Avenue and Carter Avenue which will be constructed this summer. He said Nebraska Street will also be reconstructed and presently is in the design phase.

*

Sidewalk Programs. Mr. Steve Lewis, City Manager, said walking is the most prevalent athletic event in the country and our sidewalks play an important role in this. He said sidewalk repairs and curb replacement are being done on Robinson Street from 24th Avenue N.W. to 12th Avenue N.E. He said there are new sidewalks on Pickard Avenue between Lakewood Drive and Belmont Drive and this will connect to the Broad Acres Addition and McKinley School. He said there are projects at 12th Avenue N.E. and Alameda and a major sidewalk and trails project from 24th Avenue N.E. on Robinson to extend and connect to the Hall Park greenbelt areas.

*

Miscellaneous Discussion, continued:

City Manager's Report, continued:

Neighborhood Watch Meeting. Mr. Steve Lewis, City Manager, showed a slide of the 2014 Neighborhood Watch Captains Meeting. He said the Chief of Police just sent out invitations to the Block Captains and the 2015 Neighborhood Watch Captains meeting will be held Thursday, April 16th, from 6:00 p.m. to 7:30 p.m. He said there are currently 93 registered Neighborhood Watch Programs and encouraged more. He said interested parties could contact the City Manager's Office or the Chief of Police's Office. He said there are resources available to organize and facilitate those discussions.

*

Spring Cleanup. Mr. Steve Lewis, City Manager, said two weeks of the Spring Cleanup have already occurred and 450 tons of bulky materials have been collected which is good progress.

* * * * *

Mayor Rosenthal and Councilmember Castleberry asked that they be allowed to abstain from voting on Item 49 due to a conflict of interest. Thereupon, Councilmember Williams moved that Mayor Rosenthal and Councilmember Castleberry be allowed to abstain from voting on Item 49 due to a conflict of interest, which motion was duly seconded by Councilmember Holman; and the question being upon allowing Mayor Rosenthal and Councilmember Castleberry to abstain from voting on Item 49 due to a conflict of interest, a vote was taken with the following result:
